_____	)	

Trial of this matter is presently set for June 5, 2007. This date was selected based upon a continuance due to Mr. Crisco being diagnosed with cancer, and requiring major surgery and therapy. The surgery and therapy have thus far proven successful, and Mr. Crisco is, upon last examination, believed to be cancer free and recuperating well.

However, Mr. Crisco is in need of one more follow-up procedure to correct a leak in his pulmonary system. The scheduling and recuperation of that procedure require a slight continuance.

The lawyers for the parties have been working to satisfy the pretrial deadlines, and will continue to do so. Counsel also estimate that this case will take only three days to present and argue.

The parties jointly and respectfully request that the date of June 5, 2007, be continued to any time convenient to the court during the time periods of July 23 – August 7, 2007, or August 22 – August 31, 2007.

DATED this 25th day of April, 2007, in Anchorage, Alaska.
